Vpk Graduation

We are so excited to announce that its graduation time again! We know the school year is coming to an end, but our teachers are requesting your child's attendance remains consistent. Graduation practice takes place during our VPK hours. Thank you and see you all May 22nd at graduation!

Happy Mother's Day

Wish Upon a Star would like to wish all of our mothers a Wonderful Mother's Day!! Your love and devotion is apparent in each and every one of your children. We are inviting our beautiful mothers to join us for an appreciation breakfast on Wednesday, May 9th. Thank you for all you do!

We would like to take a moment to thank our families who follow our tuition policy. Tuition payments are imperative in order to maintain the high standards of care we pride ourselves on. This includes ensuring the quality of the teachers caring for your children. We understand at times things can become difficult, but please remember each payment directly impacts our WUAS family. We appreciate you all and would not be the center we are today without your support!

Memorial Day

On Memorial Day, we remember those who gave their lives for our country. How can we celebrate and show respect? Fly a flag. Visit a memorial. Listen to a speech or patriotic music. Watch a parade. Check Out "Parent" magazine for some local events!

WUAS will be CLOSED May 28th.

Summer!

Please let us know if you plan on your child attending our summer program! We have a fun-filled schedule of events and field trips planned for our school-age groups.

While our VPK graduates and preschool classrooms are not included in field trips, we have not forgotten about them! The classroom teachers will create a special summer schedule with fun events just for them, such as water-play and movie days.

Photographic Memories

We hope that all of our parents enjoy their child's pictures with Photographic Memories! If your child missed picture day, do not worry! We will have another opportunity for pictures in the Fall or you can schedule a photo session with the same photographers in their studio. We have used Photographic Memories for many successful years and know they will try their hardest to accommodate your needs. Please feel free to contact them if you have any questions regarding your child's pictures.
