Attention Families

We understand there are times you may want to bring in a special snack or cooking project to share with your child's class. We hope to continue allowing parents the opportunity to do this, however we need your help. In order to ensure the safety of all our children, **ONLY** store-bought and sealed food will be permitted. Additionally, please communicate with your child's teacher. We have many children with allergies that must be considered

WUAS is a PEANUT-FREE environment.

Friendly Reminders on WUAS Policies

- ☑ Tuition payments are due on **MONDAY** of each week. Families who do not make their payment by Tuesday will be charged a \$15 late fee.
- ☑ Please do not drop off your child between the hours of 10:00am and 2:00pm. The classrooms begin circle time, story and center activities and drop-offs during this time cause disturbances and distractions while our teachers are beginning instruction and your children are learning.
- ☑ We need updated immunization records and physicals on file for **ALL** children. Every time your child receives a shot, please ask for an updated form and bring it to us.
- ☑ We are here to provide a safe learning environment for your child. We are not mediators between family members. Please help us by resolving any family issues outside of the center.

Brightwheel

We are continuing to use "Brightwheel" as our main form of communication. Please be sure you are checking your account frequently for important information and to stay connected with the teachers.

You can update your account too! Post activities you do with your child during the weekend, achievements you want to share, and don't forget to load your child's photo ☺

Friendly Reminder:

PLEASE be sure you sign your child's attendance sheet every Friday!
