Donations

W.U.A.S is in continuous DESPERATE need for bottoms for both girls and boys in sizes 2T-5T.

(No tops are needed at this time)

Even if you are unable to donate to the center, please be sure to check your child's cubby. It would help us greatly if each child had their own set of extra clothes.

Thank you for your help

Fire Prevention Month

The Palm Bay Fire Department will be visiting us in October (date and time to be determined.)

They will be teaching the children about fire safety and prevention.

It's important for the children to see the firefighters in their safety suits so they do not fear them in an emergency situation. They will also teach stop, drop, and roll procedures. Please ask your child about the visit and let them share what they have learned with you.
